

2022 Conference Hotel Fact Sheet

Swissôtel | 323 E. Wacker Drive | Chicago, IL

Why Stay at the Conference Hotel?

The Association has kept conference registration rates the same for several years. We negotiate lower rates for space, reservations, and food contingent upon a certain number of reservation nights at the hotel. When you stay at the conference hotel, you give us the leverage to negotiate more amenities and lower rates for space and food to keep the overall cost of the conference down, despite inflation. When there aren't enough people to stay at the conference hotel, the Association has to pay additional costs. Thus, we encourage you to stay at the conference hotel to help us continue to keep the costs of the conference down for everyone.
